Athletic Academic Progress Report

Service - Accountability - Integrity - Leadership

Teachers,

School Board Policy requires us to monitor and record the academic progress of all students who participate in extracurricular activities. To meet this requirement, the athletic department is asking you to provide the information below on a bi-weekly basis. Thank you for your cooperation and assistance. All athletes must maintain a 2.0 GPA in order to participate in interscholastic athletics within the Beaufort County School District.

John Drafts
